

What is ArtJones?

ArtJones is a collection of 17 professional artists showing at 15 studios during our annual artist studio tour & sale in historic Gulfport, FL. We are former designers and illustrators turned painters, furniture builders turned sculptors and journalists turned potters. Gulfport, an intimate city located in south St. Petersburg along the beaches of Boca Ciega Bay, welcomes visitors to shop, commission a piece of art or come get inspired. Visit studios, quench your thirst at a local eatery and then head out again and satisfy your ArtJones.

This year, pick up an **Artist Passport** at your first stop. Get it stamped by all 15 studios and enter to win one of 17 works by our artists. ArtJones is family friendly and free. We hope to see you in our town!

See it. Touch it. Buy it.
